Storehouse Hygiene Project 5th Annual International Tea & Tasting Event has been cancelled due to COVID-19 pandemic. The event was scheduled for Saturday, August 15th, 2020. Safety is Our number one priority and we want to keep you Safe.

While this decision comes at a time of universal uncertainty, we take the safety and health of our friends, families, guests, and community very seriously. We urge everyone to please follow the guidelines and protocols put forth by CDC and public health officials. However, if you would like to make a 2020 donation to assistance with the Homeless, to assist with the support of the homeless, You make do so at [storehousehygiene.org](http://storehousehygiene.org)

## Take Precautions

- Limit movement and personal interactions outside of your home as defined by the Governor's Executive Order.
- Wear a cloth face covering in public settings where other social distancing measures are difficult to maintain (e.g., grocery stores and pharmacies), especially in areas of significant community-based transmission.
- Avoid close contact with people who are sick. If you are sick, stay home and practice "social distancing."
- Avoid gatherings of more than 10 people.
- Washing your hands often with soap and water for at least 20 seconds.
- Using an alcohol-based hand sanitizer that contains at least 60 percent alcohol if soap and water are not available.
- Avoiding touching your eyes, nose and mouth with unwashed hands.
- Covering your mouth and nose with a tissue when you cough or sneeze, then discarding the tissue.
- Cleaning and disinfecting frequently touched objects and surfaces.

It will take all of us working together to slow the spread of this virus and lessen its impact on our community.
